Dear Royal Kunia Community Association Owner,

It has recently been brought to the Board of Directors' attention that incorrect information has been circulating by owners within the community relating to proxies, the deadline to submit proxies, incorrect quorum requirements and that proxies must contain your vote prior to providing your proxy to another. This misinformation has led to significant confusion amongst owners and, unfortunately, the invalidity of proxies. After careful consideration and in order to preserve the integrity of the election, the Annual Meeting scheduled for March 16, 2023, has been canceled.

The Annual Meeting will be rescheduled and new proxies will be provided for use at this meeting. The Association will be providing the new date as soon as possible. Prior to the rescheduled Annual Meeting, the Association will provide owners with clarified information on proxies, quorum and voting that should be reviewed.

Thank you for your understanding. Questions or concerns may be emailed to lillian@touchstoneproperties-hawaii.com.

Sincerely,

For the Board of Directors

Royal Kunia Community Association
