Dear [REDACTED]

Thank you for submitting your request to install speed bumps on Anonui Street, which was forwarded to our department by the Customer Services Department for our investigation.

As we informed you on the phone, Anonui Street from Puia Street to its dead end is privately owned. However, we will perform an investigation regarding your speeding concern on the City owned portion of Anonui Street, which will include site inspections, a speed study, and a review of the area's traffic collision history, and take appropriate action as warranted by our analyses. In order to properly evaluate the subject area, we will wait for schools to resume in the fall. As such, we will inform you of our findings by the end of the year. We appreciate your patience and understanding.

Should you have any questions, please contact Rika Uechi of my staff at 768-8341.

Very truly yours,
